

**25th Anniversary MG Classic and Sybil Lupp Memorial Trophy Race Meeting
Saturday 13 & Sunday 14 November 2010, Manfeild Park.**

The MG Car Club (Wellington Centre) Inc. invites all past and intending new entrants to submit an application to enter the 25th MG Classic race meeting to be held at Manfeild Park circuit 13-14 November 2010.

The feature event will be the Sybil Lupp Memorial Trophy race for classic British sports and saloon cars as defined by MotorsportNZ Manual 34, Appendix 6, Schedule T&C. Given the status and history of Sybil Lupp the organisers expect the race to be of particular interest to women entrants.

A special effort is being made to encourage attendance from South Island competitors and, as well as the usual Interislander and Bluebridge ferry concessions on the MSNZ website, the Interislander is now offering a one off special arrangement for the 25th event at greatly reduced rates.

Details of this are available from Terry Collier or Ross Armstrong (below).

Consistent with the spirit of the Sybil Lupp Memorial Trophy focus the emphasis will clearly be on historic and classic vehicles as described in Appendix of the MSNZ Manual 34, and vehicles sympathetic to these standards. It is expected that races will be available for some series groups such as Pre 65s, Muscle cars etc.

As the Formula 5000s will again be fulfilling their biennial commitment in Australia there should be scope for additional categories of historic race cars, including Formula Junior, Formula Ford and single seater and sports racing cars that fit within the classes described in Appendix 6, as far as possible split according to speed, type and period.
